

INFORMATION ON SUPPORT AVAILABLE FROM THE HUNGARIAN MOTHER AND CHILD HEALTH SERVICE
FOR CHILDREN AGED 0-18 AND EXPECTANT MOTHERS ARRIVING FROM UKRAINE

Mother and child health nurses (M/C nurses) are highly qualified health professionals who are responsible for maternity care and the protection of the physical and mental health of children aged 0-18, in Hungary.

Recognising what the situation of refugees arriving from Ukraine is, the Mother and Child Health Service offers the following professional support:

- screening children and pregnant women carrying infectious diseases,
- care for children and pregnant women with acute illnesses,
- care for chronically ill children and pregnant women
- organising guided patient-referrals for children and expectant mothers in need of secondary care,
- providing basic care for expectant mothers,
- offering referrals to maternity wards,
- offering advice in other crisis situations.

To use our M/C health services, please contact the county mentor M/C nurse per your place of temporary stay or any of the following mentor nurses:
